

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

*P Blackman*  
*9/5/22*

<b><u>Chairman:</u></b>	P Blackman				
<b><u>Present:</u></b>	P Cornish	R Chesterton	B Evans	B Warren	R Kingdom
	M Pollard	J Nash	S Kidd	A Willis	

**22.04.01 Apologies for absence**

	R Radford	I Duncan	T Verona	T Edwards	T Pointing
	J Gardner				

**22.04.02 To approve of the Minutes of Meeting held on 7<sup>th</sup> March 2022**

The minutes were agreed as an official council record.

**22.04.03 County Councillor's Report**

A copy of Councillor Radford's Report is appended.

**22.04.04 District Councillor's Reports**

Councillor Chesterton advised that it was his belief that the Boundary Submission was now received in its entirety, with issues surrounding file types being resolved and would seek formal confirmation. A meeting is due to take place in June with a Public Formal Committee.

Councillor Evans provided an update in regards to Gigaclear – Head Office has been contacted regarding the ongoing concerns and complaints and they are looking into the issues surrounding quality of works.

There is no update in regards to Landfill as no meeting has taken place. Visit on old site TBC. Rubbish was queried and believed to be that of the Gas Works which took place - MDDC should be contacted directly via their website in order to highlighted any fly-tipping issues. It was confirmed that the footpath around the Quarry is to be reinstated.

Councillor Warren advised that there had been some confusion in regards to the Council Tax rebate of £150, which is being provided to all properties within bands A-D. There has also been discussions of there being a further £200 later in the year, however, no confirmed details as of yet. Residents will be sent a letter from MDDC, which will contain clear instructions on how to claim any grants. If there are any requests for help, Councillor Warren is happy for referrals directly – including names and address details. MDDC has worked well throughout the pandemic, being one of the top in the country to extract grants from central pots. There have been a number of waste collections being missed. This is due to Covid related absences – advised to check online for updates on rescheduled collections on the MDDC website. There is a useful Parish Planning Training taking place on April 7<sup>th</sup> which will focus on S106 agreements.

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

DB  
9/5/22

**22.04.05 Parish Council Vacancies**

There is still 1 vacancy which the Parish Council will continue to advertise. There are currently no applicants. Clerk to add to Spotlight, noticeboard in the village and the website blog/Facebook.

**22.04.06 Finance**

**22.04.06.01 To approve March Financial Statement**

The February financial statement was approved as official council minutes.

(query from Councillor Nash regarding the double appearance of Public Toilet Cleaning – confirmed that this was due to delayed invoice/payment due from previous month).

**22.04.06.02 Uffculme Men's Club**

The Clerk advised the Council had received a donation from Uffculme Men's Club of £7,400 and paid the invoice for works for £8880. Councillor Kingdom advised the Men's Club were pleased with the quality of works and send thanks to the Council for their contribution.

**22.04.06.03 Pond Regeneration**

The Clerk advised that notification had been received from the Solicitors varying the total amount for legal works in connection with the pond lease. The original estimate was £1200 and advised that the current bill was in the region of £2860, however, due to being existing clients, they were willing to invoice at a new cost of £2000. Invoice to follow – payment Proposed Councillor Blackmore, Seconded Councillor Cornish.

Clerk advised that a grant has been applied for, in the region of £500, to contribute towards the floating island – will keep the Council updated in regards to progress.

**22.04.06.04 Magelake**

The Clerk advised of invoice paid for broken window which had been reported to the Parish Council. Will look into CCTV quotations ((x3) to be requested for presentation to the Council for consideration in May). Clerk to check with Martin regarding who's responsibility the netting surrounding the MUGA is as currently in disrepair.

**22.04.06.06 Play Area replacement/refurbishment**

Quotations received for repair on existing equipment and removal of expired adult gym equipment. Proposed Councillor Blackmore, Seconded Councillor Kidd. Awaiting quotation also for new equipment to include 3 options to present to the village for consideration. Councillor Blackmore requested that copies of park inspection reports be made available for Ashill – Clerk to arrange.

**22.04.06.07 Jubilee**

The Clerk advised that a request had been received from Martin at Coldharbour Mill to provide £5,000 towards village Jubilee celebrations, with c.£1,400 already being accounted for towards lights for the event. The current community groups involved in arrangements so far are Uffculme History Group, Uffculme Green Team, Coldharbour Mill, The Friends of Coldharbour Mill, Culm Sampford youth football and Uffculme Lights Committee. £3,500 had been included as part of the budget with the requested amount being an additional £1,500 towards events as a whole. Councillors all in agreement, if invoices are sent addressed directly to the Council for payment. Proposed Councillor Kidd, Seconded Councillor Nash.

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

AS  
9/6/22

**22.04.06.08 Allotments**

The Clerk advised that there were 9 plots, held across 8 non-parishioners members. The subsidised value for 2022-2023 includes 51 parishioner member plots - £1487.50.

**22.04.07 Business Arising**

**22.04.07.01 Hillhead/Broadpath**

There were no further updates in respect of the site.

**22.04.07.02 ABN Feed Mill**

There were no further updates in respect of the site.

**22.04.07.03 Uffculme Men's Club**

Councillor Kingdom advised the new Committee was in place and that the recent refurbishment looked smart. There is positive interest with the members to work with the Green Team to make nesting boxes for the Markers Pond site – looking into whether Men in Sheds would also be interested in being involved.

**22.04.07.04 Uffculme Bowling Club**

Minutes have been received from the most recent meeting and circulated to the Councillors.

**22.04.07.05 Green Team**

Councillor Kingdom advised that Craddock wants to slow traffic in certain areas where there are no limits currently in place. The Green Team are pleased to see zero carbon construction in Tiverton.

A copy of Councillor Pointing's Report is appended.

**22.04.07.06 Allotments**

There were no further updates in respect of the site.

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

RB  
9/5/22

**22.04.07.07 Parish Maintenance update**

Councillor Pollard advised that the playpark at Pathfields was a mess with litter and that he would due to visit with Phil the following day. Mid Devon to be consulted whether they are responsible for litter/bins. Councillor Warren advised that when the Willand lease was signed, this was subject to bins continuing to be covered by MDDC – best contact is Darren Beer (in charge of waste) - Clerk to contact. Resident responsibility to look after area – reminder to “look after or lose it” may be needed. Suggested that there may have been a change in families in the area. Perimeter fence is currently broken and not a *quick fix* so quotation to be sought for repair works. Any signs of Criminal Damage needs to be reported accordingly.

Councillor Pollard advised there were two flag changes that will be required in the village when he is away – Councillor Duncan to be contacted to see if he could assist if available.

Clerk advised that there had been instances recently where Ablou have noticed burnt toilet roll in the public toilets – they are going to monitor and report back accordingly. It was discussed that there was a lack of youth club option in the village and it was suggested that the Council could appoint youth and community workers (paid, as opposed to volunteer based, due to the current national shortage of workers in this area) to provide a solution. The YMCA based John Tallack site in Cullompton has been a success and YMCA Cullompton to be consulted to see if this could be something that the Council could mirror in Uffculme, as well as liaising with the school. Councillor Kidd and Councillor Cornish to investigate further.

It was raised that the current noticeboard is out of date and overrun with commercial adverts. Clerk to update, once keys are provided, and to also include a notice to request no adverts.

Councillor Pollard requested the weeds be removed from the cobbles in the Village, using R&R for treatment. All in agreement to add to the agenda of the next meeting due to decreased numbers present at this time.

**22.04.07.08 Uffculme Pond Lease**

The Clerk confirmed the lease had been completed by the outgoing clerk and is now the responsibility of the Parish Council. R&R instructed to start works. Markers to be updated in regards to dates that facilities will be required.

The WI are planning on planting their 100 year celebration tree in the pond area - Ron Leicester plaque required.

**22.04.07.09 Traffic and speeding issues/Community Speed Watch**

It was raised that the current parking along the road is causing issues for residents – for elderly residents, who rely on walking frames and younger families, with small children and prams. The electric charge point was raised as a trip hazard, especially as at the most narrow part of the road. Double yellow lines were suggested. It was advised that the perceived footpath is not that but an area to protect the buildings.

Complaints of cars and lorries on paths is being investigated and dashcam footage has been requested. Councillor Verona to be consulted as to whether this data can be stored. If this is not possible, satellite and images from Google Maps to be used as part of the report.

The provision for a car park was raised as a requirement. Suggested locations included Coldharbour and College Green (which is Mid Devon owned), to include electric charge points. Any planning applications to create a new area should also include adequate parking, with electric charge points also.

A copy of Councillor Pointing's Report is appended.

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

AB  
9/5/22

**22.04.07.10 Schools update**

No updates to report.

**22.04.07.11 Water Fountain**

Councillor Willis advised that there were 3 designs which have been created – copies to be circulated prior to the next meeting in order for the Councillors and Simon at The Ostler Inn to review.

**22.04.07.12 Uffculme Village Hall**

Councillor Cornish advised that there is a new Chair, Sally, and that there are lots of new bookings being made. There is a Jumble Sale planned, where you can bring items on Friday, in order to sell on the Saturday. It was confirmed that all Covid related grant funds had been used, mainly on electrical works, and that the Hall is currently solvent. They still await quotations for the toilets, thought to be c. £5,000, and the works schedule will be distributed in due course.

**22.04.07.13 Giga-Clear**

The Clerk advised that Giga Clear had received photos of the areas that require remedial works and that the build team are currently reviewing these. Form to request free community hub (for minimum of 12 months) has been completed, which will assist with good quality CCTV, when the time comes.

**22.04.07.14 Boundary Review**

The Clerk had no further updates to provide – Councillor Chesterton to confirm whether submission is now being considered in its entirety.

**22.04.07.15 Ukrainian Crisis**

Councillor Kidd advised that there had been questions from residents in regards to the support that could be offered, in order to assist with isolation, language, children, counselling and local support available, including job prospects. It was suggested that Magelake could provide a usable communal facility, however, it was thought that either the Village Hall or Square Corner would be more suitable – as more intimate environments (whilst also offering kitchen facilities). It was decided that contribution towards facilitating would be the most suitable action for the Council – Pot of £1,000 to be made available, subject to review. Proposed Councillor Kingdom, Seconded Councillor Blackman.

Councillor Cornish advised that any items left over from the Jumble Sale could go straight in to the Ukrainian Aid lorry which is due to depart – there are items in the church which can also go.

**22.04.07.16 Local Plan Consultation**

A submission was made to Mid Devon District Council on 28<sup>th</sup> March 2022. No questions were raised in regards to the document.

**22.04.07.17 Jubilee**

Councillor Pointing's report is appended. The Clerk advised that if the Village would like to plant a tree in celebration of the Jubilee, that The Leat would be a suitable area, as owned by the Parish Council. Woodland Trust to be consulted on tree to be used – no fruit and native tree requested. Proposed Councillor Pollard, Seconded Councillor Willis.

**Uffculme Parish Council**  
**Minutes of meeting held**  
**Monday 4<sup>th</sup> April 2022 at Magelake**

*PJB  
9/5/22*

**22.04.08 Police Report**

Councillor Pointing's report is appended.

**22.04.09 Clerk's Report**

**22.04.09.01 Emergency Plan**

Clerk advised that a neighbouring Parish has requested information from multiple Councils, regarding what emergency plans were currently in place. This was in order to facilitate them in creating a new one for their Parish. This will be a good opportunity for Uffculme Parish Council to review the current plan also. Once responses have been received from their enquiries, as a similar sized parish to Uffculme, they shall collate responses and share results, to see if any elements are transferrable.

**22.04.09.02 Cemetery Terms and Forms**

The Clerk advised that a new set of terms had been drafted and would be presented to the Council for review – the main changes being that expected plot condition will be specified going forward. There are currently a number of issues at the grounds, in regards to maintenance, due to glass and excessive items. A notice of maintenance is to be prepared which will specify that if items are not cleared, the plot will not be maintained – notice has been requested by the Groundskeeper to be added to gate – Clerk to investigate further.

The next meeting of the Council will be held on Monday 9<sup>th</sup> May 2022, subject to confirmation by the Clerk.

## April Report

1 message

**Councillor Ray Radford** <ray.radford@devon.gov.uk>  
To: Verity Aldridge <clerk@uffculmeparishcouncil.gov.uk>

Mon, Apr 4, 2022 at 2:00 PM

Dear Gemma & Members

At month 10 it is estimated that budgets will overspend by just over £5.8 million, a reduction of £2.5 million from month 8. The Dedicated Schools Grant projected deficit, relating to Special Educational Needs and Disabilities (SEND), is forecast to be £39.9 million. In line with Department of Education guidance this deficit will not be dealt with this financial year but carried to future years. The confirmed additional funding Devon County Council is expecting to receive directly this financial year is currently £57.5 million, in addition to the £25.6 million carried forward from 2020/21.

Adult Care and Health services are forecast to overspend by just over £3.8 million, a reduction of £1.3 million from month 8. The forecast includes budgeted savings of £283,000 still considered deliverable. Adult Care Operations is forecasting to overspend by just over £4.1 million,

Within Learning Disabilities and Autism higher demand has continued into this year with client numbers in these areas being 164 more than the budgeted level of 3,569. Older People is also experiencing significant pressures, mainly due to price pressures on residential and increase in the number of nursing placements which are 47 more than the budgeted level of 516. Adult Commissioning and Health and Mental Health is forecast to underspend by £359,000.

Children's services are forecasting an overspend of £8.8 million a reduction of £300,000 from month 8. However, this figure does not include the projected deficit of £39.9 million on Special Education Needs and Disabilities (SEND).

Although the figures quoted are only to Month 10, we were able to claw back some of that deficit, we have been able to

produce a balance budget for 22/23, with a total revenue budget of £629.362m. There are also considerable capital expenditures for the same year.

Since the beginning of the pandemic in 2020 recruitment for all services has been challenging, as a result the parking enforcement team currently carries a number of vacancies. Most notably there are 19.5 full time equivalent (FTE) vacancies out of a design establishment of 46.5 FTE; a shortfall of 41.9%. However, the team are motivated and continue to deliver a good service with the available resources. Overtime allows existing staff to provide additional hours reducing the shortfall. The team regularly advertise vacancies and are recruiting to fill those. Adverts and incentives are being reviewed with colleagues in Human Resources and Recruitment to ensure adverts reach appropriate candidates and the opportunities offered by Devon County Council are promoted

In Devon on 1st January 2022, 77% of community-based services were rated Good or Outstanding by the Care Quality Commission, matching the regional average, and exceeding the national average of 66%. Our Quality Assurance and Improvement Team use data to target providers who may need additional support, and work with those where improvements are required. The Care Quality Commission have highlighted the strength and continuity of leadership in Devon as being an important factor in sustaining these ratings

**Natural Environment Investment Readiness Fund** – the Blackdown Hills is preparing an application to this government fund, which will used to develop a business case for private investment in ecosystem services linked to

## the Connecting the Culm project

The Fire Authority plays a big roll in keeping our community safe, I have put together some statistics below, which you might find interesting..

- During the 12-month period from 01/03/2021 to the 28/02/2022, 16,360 incidents were attended in our service area.
- Of these, 39% were false alarm incidents, 39% were special service calls and 22% were fires.

### Fires – 3,638 incidents attended

- Primary: 1,191 (860 dwellings, 450 non-doms, 572 vehicles and 109 outdoors)
- Secondary: 1,412 (1,361 outdoors)
- Chimney: 235
- Seven people died as a direct result of a fire, five in dwellings and two in vehicles.
- 101 people (81 in dwellings) required hospital treatment for their injuries, 95 of these (80 in dwellings) were believed to be fire related.
- 118 people (96 in dwellings) required first aid at the scene or were advised to seek a precautionary check, 114 of these (94 in dwellings) were believed to be fire related.
- A total of 84 rescues were carried out at fire incidents, 63 were from dwellings (includes rescues by FS personnel and the public). Of these, 27 people were uninjured.

### Special Service Calls – 6,391 incidents attended

- Co-responder: 1,646, Effecting entry/exit: 1,234, RTC: 772, Assist other agency: 397
- There were 281 deaths related to special service incidents attended in our services area. Almost half (139 people) of these were at co-responder incidents. The next highest types were RTCs (36 people) and effecting entry incidents (34 people).
- 1,437 hospitalisations were related to special service calls. Again, the greatest number of these were co-responder incidents (676 people), with RTCs the second most prevalent incident type (436 people).
- 918 people were given first aid or advised to seek a precautionary check as a result of a special service call. Over half (466 people) of these were co-responder incidents, with RTCs contributing the second highest number (211 people).
- A total of 1,100 rescues were recorded (309 at RTC incidents), with 540 people rescued uninjured (only 32 at RTC incidents).

### False alarms – 6,331 incidents attended

- Due to apparatus: 4,568, Good intent: 1,644, Malicious 119.
- Of the false alarms due to apparatus 2,378 were in dwellings (including self-contained sheltered housing), 2,180 were in non-domestic buildings and 10 happened in other property types.
- If a rescue is carried out or there is an injury the incident will be recorded under a different incident type.

### Governments Devolution Deal for Devon, Plymouth and Torbay.

**This is just a Summary:** Devon, Plymouth and Torbay is one of ten areas in England selected by the Government to negotiate far-reaching devolution deals to help level up areas blighted by low productivity and deep-seated deprivation. A Deal offers the opportunity for additional powers and funding to tackle local priorities such as more affordable housing, better public transport and providing skills our economy needs.

Before the pandemic, the area as a whole was already underperforming significantly, with economic output at 77.7% of the rest of the UK. 612,000 residents live in constituencies with low productivity worse than or as low as Cornwall. If Government funded Devon, Plymouth and Torbay Devolution Deal area the same as Cornwall, it would mean £540 million, £80.19 per head, to help level up our hardest hit areas and avoid an economic cliff-edge between our counties.

Supermarket vouchers worth £570,000 have been sent to families of 19,000 children in Devon to help them buy food over the upcoming Easter holidays.

04/04/2022, 14:30

UPC Mail - April Report

It's thanks to the government's one-off 'household support fund', which was given to councils to distribute. Over the last year we've invested Devon's £4.7 million share in providing nearly 140,000 supermarket vouchers for families who qualify for free school meals; so their children don't go hungry over the school holidays.

Just a bit of what is going on, if you want me to do something, just let me know.

Regards,

Ray

Hi Gemma

I'm afraid that I don't feel at all well this evening and think it best i don't attend the meeting this. Please pass my apologies to Pat and the other councillors.

So instead here's my reports on the various agenda items I'm responsible for:

Green Team.

Litter Pick went well on the 26th of March.

Uff Com Fridge now collecting from Tesco in Cullompton.

Maxi raised £1,100 to support families in need in the village.

Funding request for Climate Emergency Notice Board through Devon Climate Fund was refused.

Waiting on Men's Club re how to partner on making bird boxes.

Traffic Group.

Meeting held on 15th March

Groups Facebook page reviewed and improved by Tino.

Group wants to:

highlight safer walking routes though the village. Promote these through social media, spotlight and schools.

Collect information about traffic related issues and ask for any dash cam footage that can show the problems.

Review the traffic calming area around College Green and Coldharbour to identify ways to slow cars, trying to beat oncoming traffic, down.

Have regular meetings and push the 'Keep our children safe' message out to the the wider community.

A high level 20 mph submission was made to Highways by the outgoing Clerk, thank you. Traffic group will help in further surveys and more detailed submissions. (Craddock residents have already carried out one)

Jubilee

Please see revised schedule of proposed events.

A working group is being formed to allow the main event organisers to liaise as their plans evolve.

It appears that Coldharbour's funding requests for the various groups may not have been successful and some events might need financial assistance to get their plans to work.

Tim happy to monitor for PC

JS
